# Ronald McDonald House Charities of Central Iowa

Ronald McDonald House has been “Keeping Families Close” for 40 years. Ronald McDonald House Charities of Central Iowa enhances the healthcare experience for families through comfort, care, and supportive services. Each year hundreds of families are served through our programs.

Ronald McDonald House at Blank Children's Hospital gives families a welcoming place to stay nearby so they can focus on caring for their children.

Ronald McDonald House in MercyOne provides families with a place to stay right inside the Hospital. They can focus for caring for their children without ever leaving the hospital.

Ronald McDonald House meal outreach program helps keep families nourished and healthy for their children. RMH delivers meals right to their rooms. This relieves costs for families and eliminates worrying about where their next meal will come from..

We rely on the generosity of our donors for 90% of our yearly revenue. Donors are welcome to contribute to the program of their choice or apply their gift to the area most in need.
